

REMINDER REMINDER REMINDER

**“The Post” –
Our First Pax Christi Film for 2018**

Fundraiser/ Discussion Starter Sunday 21st January 2018, 6:30pm
(approximately)

at The Nova Cinema, 380 Lygon Street, Carlton

Cost \$16 per person per ticket. Payable to Pax Christi Vic.

The film is The Post about the publication of the Pentagon Papers (by the Washington Post) which revealed ‘secret’ activities by the U.S. Government during the Vietnam War.

This is a fascinating film with a superb cast (including Meryl Streep, Tom Hanks), and a director (Steven Spielberg) who believes that what happened then has much to tell us for what is happening right now. Much food for thought.

We know there will be great interest in discussion after the film. So, we’re arranging to meet afterwards at a café nearby.

Details soon.

This is Pax Christi’s first activity for the year, to which all members, their friends and colleagues, anyone with an interest in peace and justice are warmly welcome.

Please make this evening widely known and invite others to join you. The more the merrier. Funds raised from the evening will support our work on eliminating nuclear weapons and developing our links with the Muslim community

Apart from the stairs to the theatre there are two lifts at the rear of the building, one from the car park underneath. Car park is available and total purchases (including cinema tickets) of \$30 or \$50 will attract a reduction of \$3 or \$6 respectively from the parking fee.

Please order and purchase tickets beforehand. We’re not permitted to sell tickets on the night.

We very much hope you will join us for the film & the conversation!

∇ _____
I would like to order tickets @ \$16 per ticket for the film “The Post” at the Nova Cinema, Level 1, 380 Lygon Street Carlton for Sunday January 21st 2018 beginning at 6:30pm.
