

# Celebrating 45 years of Peace Activism

## Pax Christi Victoria

*International Christian Peace Movement*

**Pax Christi Gathering  
Sunday 9 December 2018**

**@ Kildara Centre,  
39 Stanhope Street Malvern  
1.00-4.30 pm**

**We have never been alone.**

**We have been and remain players in a much wider peace movement ... many peace movements, old and new, and many individuals... all are invited**

We will spend some time reflecting on some of the campaigns and the people involved over the past 45 years and develop into a conversation on where the peace movement is now and where it might go in the future.

We are anxious to make this an event for as wide a representation of the peace movement as possible so we would really value your participation as we value working with you now.. If you can't make it you might like to send a message.

*We begin with a shared lunch at 1 p.m. (bring some food to share. Heating facilities available, and aim to finish by about 4.15 with the "cutting of the cake."*
